

Tassel Award Clout ranking 2011 calendar year.

Basis of calculations and criteria used

- Results taken from those shoots having applied and completed "Tassel Award Status" in the year 2011.
- 37 shoots in total.
- Shoots include both Double One Way and Double Two Way.
- Scores have **not** been adjusted/alterd to reflect one way or two way shooting, or archers shooting above their normal distance.
- The rankings have been based purely on score achieved, taking the top 3 scores attained, the sum of these scores and ranked accordingly. I have shown the number of shoots completed together with the average score per shoot, for information.

Observations from scores used

- A total of 967 (979) archers participated in "Tassel Award" shoots in 2011.
- A total of 646 (690) of these only shot in 1 tournament.
- A total of 130 (126) of these only shot in 2 tournaments.
- 191 (163) archers shot in 3 shoots or more.
- The highest number of shoots completed in by a single archer was 16.
- The bracketed figures above relate to the 2010 season.
