

# Tassel Award Imperial Clout rankings 2014

## Basis of calculations and criteria used

- Results taken from those shoots having applied and completed Tassel Award Status in the year 2014.
- 35 (34) shoots in total.
- Shoots include both Double One Way and Double Two Way.
- Scores have **not** been adjusted/alterd to reflect one way or two way shooting or archers shooting above their normal distance.
- The rankings have been based purely on score achieved, taking the top 3 scores attained, the sum of these scores and ranked accordingly. I have shown the number of shoots completed together with the average score per shoot, for information.

## Observations from scores used

- A total of 975 (814) archers participated in Tassel Award shoots in 2014.
- A total of 631 (496) of these only shot in 1 tournament.
- A total of 137 (125) of these only shot in 2 tournaments.
- 207 (193) archers shot in 3 shoots or more.
- The highest number of shoots completed in by a single archer (same bow discipline) was 15.
- The bracketed figure above relates to the 2013 season.

These rankings have been put together by Andrew Neal, on behalf of Northern Counties Archery Society, who administers the National Tassel Award Scheme.
