

Metric Tassel Award Clout ranking 2015.

Basis of calculations and criteria used

- Results taken from those shoots having applied and completed "Tassel Award Status" in the year 2015.
- 17 (17) Metric Tassel shoots in total.
- Scores have **not** been adjusted/alterd to reflect archers shooting above their normal distance.
- The rankings have been based purely on score achieved, taking the top 3 scores attained, the sum of those scores and ranked accordingly. I have shown the number of shoots completed together with the average score per shoot, for information.

Observations from scores used

- A total of 500 (471) archers participated in "Metric Tassel Award" shoots in 2015, submitting 1085 (965) scores.
- A total of 260 (278) only shot in 1 tournament.
- A total of 95 (74) only shot in 2 tournaments.
- 145 (119) archers shot in 3 shoots or more.
- The highest number of shoots completed in by a single archer (same bow discipline) was 12 (11).
- The bracketed figures above relate to the 2014 season.

These rankings have been put together by Andrew Neal, on behalf of Northern Counties Archery Society, who administers the National Tassel Award Scheme. Any enquiries or comments about the rankings or the Tassel Award Scheme should be addressed to Andrew Neal, Chapel View, 43a Main Street, Riccall, York, YO19 6QD. Should anyone have any comments (constructive) regarding the rankings can you please address them to Andrew Neal at e-mail address an@agneal.co.uk
