

NORTHERN COUNTIES ARCHERY SOCIETY

APPLICATION FOR ARCHER GRANT

This grant is to support NCAS archers who have been selected to represent England or the UK at a competition abroad. This will include events under AGB, EAF, University, Warrior or Invictus Games auspices.

Grants are not available to training camp type events, or events where the archer may have "entered" for themselves and not been selected on merit, following a selection process.

Each application for a grant will be assessed on its merits and will be made at the discretion of the NCAS Committee and will take into account the state of the NCAS finances at the time of application.

All applications should contain supporting information to confirm selection, eg selection notice, invite letter, or link to webpage showing team make up.

Claims for Grants may be made at any time after the archer has been selected, or within 4 weeks of return from the event. If the Archer is unable to attend the event, for which the grant has been provided, they will be required to re-pay the grant in full to NCAS. (Treasurer Favoured option)

All NCAS affiliated archers may apply for the grant, whether or not they are fully funded elsewhere.

All applications must be made on the attached form.

Up to three applications each year (1st January to 30th December) will be permitted. The first grant will be paid at the rate of £150.00, the second and third, at £100.00 and £50.00 respectively.

After attending the event, the archer must provide to the NCAS Secretary a brief report of their involvement in the Competition, including as a minimum their scores and positions in each section.

Completed application forms to be sent to the NCAS Treasurer
