

The 1995 Northern
Flight Championships.

14 May 1995

On the 14th May 14 archers assembled for the shooting of the above event. There was a strong breeze blowing from right to left and almost head on. This affected the distances quite considerably. My thanks to RAF Topcliffe and the parachute club for the use of their venue.

Range captain: G Thorley and D Stewart. Lady Paramount: M Thorley.
