- Tournaments shall be organised in accordance to Archery GB (GNAS) rules of shooting and shall be open championships.
- The tournament organiser shall make a request for Raptor Award Status to the scheme coordinator at least three months prior to the event on the approved application form. If the tournament is also to be record status, then Archery GB (GNAS) rules of shooting – SAP 3 paragraph 1 applies.
- To cover administration costs, a registration fee will be paid (cheques made payable to “Flight Path” by the body organising the shoot. - An individual archer is eligible to claim using all bow types.
