

THE NORTHERN COUNTIES ARCHERY SOCIETY

JUDGES INFORMATION UPDATE December 2018

Judge Changes

Welcome to our new candidate judge Edward Peake who joins us as a candidate in Cheshire.

Candidate Judge Promotion

Please continue to promote, the more judges we have the easier our workloads can be.

Candidate to County Assessment

In the last newsletter I stated that I would be happy to try and arrange a candidate seminar to be held in Weatherby. Unfortunately I haven't received enough interest to make it viable.

Regional Meeting

Another Regional meeting is scheduled for the end of the indoor season (Saturday 30 March). I have nothing proposed for the Agenda so would welcome your suggestions. Can you please let me know prior to the event if you are planning on attending.

Annual Judge Report

As we are heading towards the end of the year, the annual paperwork must be submitted to Archery GB. I plan on sending the combined numbers on in early January so can I please ask that you get your J07's to me as soon as possible. When completing the forms, please remember that there is a row at the very bottom for you to complete the number in each column, these are the numbers I require and would be grateful if you could ensure completion of this row before sending them to me. If I haven't received your J07 by 14 January, I will be forwarding my paperwork without an entry for those that are missing. **NB : I still require a form completed if you are on a sabbatical.**

National Conference

The National Judges Conference is being held in Gateshead next year, if you are planning on going and require expenses, can you please let me know. When you reply, can you please provide the following information:

- Whether this is a required attendance or whether you are choosing to attend.
- A rough calculation of the potential mileage claim and any potential accommodation claim you may be making.

And Finally

I hope you all have a very Merry Christmas and a Happy New Year.
